

Different places, similar lives

Maths

Shape

- Identify right angles; and angles greater than and less than a right angle
- Recognise angles as a property of shape or turn
- Draw 2D shapes and make 3D shapes
- Identify horizontal and vertical lines, and perpendicular and parallel lines

Money

- Add and subtract amounts of money to give change, using both pound (£) and pennies (p) in practical contexts.

Fractions

- Recognise and use fractions as numbers: unit fractions and non-unit fractions with small denominators
- Recognise, find and write fractions of a discrete set of objects: unit fractions and non-unit fractions with small denominators
- Count up and down in tenths; recognise that tenths arise from dividing an object into 10 equal parts and in dividing one-digit numbers or quantities by 10
- Solve problems that involve all of the above.

Statistics

Interpret and present data
Solve 1-step and 2-step problems

Exit Point

Discuss work with year 1.

English

We will be continuing our learning with fronted adverbials and subordinate conjunctions to extend our sentences. We'll also learn how to add emotive language and ambitious vocabulary to create suspense; whilst continuing our learning with using paragraphs, inverted commas for speech and similes to describe.

We'll be writing in a variety of genres, including a balanced argument, descriptions, poetry, news reports and narratives.

We will be reading a variety of texts, looking at how to retrieve, infer, predict and summarise from these texts.

Science

Light

- Recognise that we need light to see things and that dark is the absence of light
- Understand that light is reflected off surfaces
- Recognise that the light from the sun can be dangerous and how to protect our eyes
- Recognise how shadows are formed and how the size can vary

Forces and Magnets

- Understand magnets; attract and repel; 2 poles
- Understand that some objects are not magnetic
- Compare how things move on different surfaces

Topic

DT

Research ideas and develop a design with labelled sketches and a clear purpose
Develop measuring, marking, and cutting skills for accuracy and select appropriate tools and materials
Understand simple mechanical systems and how they work in products
Reflect on the effectiveness of their design

Geography

- Organise and present information about places studied with geographical terms
Compare geographical characteristics of different European regions
Describe key physical features (e.g., rivers, mountains) and human features in studied areas
- Interpret maps of familiar and unfamiliar places, including digital maps
 - Use maps, atlases, and digital tools to identify locations, recognising key map symbols

PSHE

- Family roles and responsibilities
- Friendship and negotiation
- Keeping safe online and who to go to for help
- Being a global citizen
- Being aware of how my choices affect others
- Awareness of how other children have different lives
- Expressing appreciation for family and friends
