

Cubs' Corner

Our Early Years Facility at Park House English School

At Cubs' Corner, we believe that every child deserves a strong, nurturing foundation to set them on the path to lifelong learning and success. Learning opportunities are created to spark curiosity, build confidence, and support the developmental milestones of your child. Whether it's their first step into education or an ongoing journey, we provide an environment where learning is both fun and meaningful.

What sets Cubs' Corner apart is our unwavering focus on creating a safe and supportive space where children can thrive. We believe that learning should not only be educational, but also joyful and engaging. From interactive lessons to hands-on activities, our curriculum is designed to ignite your child's imagination and curiosity while building a strong foundation for academic and social success.

At Cubs' Corner, your child will experience the best of both worlds, a nurturing, community-focused early years setting within the established excellence of Park House English School. With specialist teachers, extensive facilities, and a seamless transition into Key Stage 1, we provide the perfect foundation for a lifelong love of learning. Here, your child will develop confidence, curiosity, and a love for learning in a setting that feels like home, while being part of something much bigger.

growth in the
seven areas of
learning, where we
take learning to
the child**

EYFS British Curriculum

At Cubs' Corner, we follow the EYFS British Curriculum to provide a holistic learning experience that nurtures all areas of a child's development. Our approach ensures that children grow in key areas, building a strong foundation for future success.

Prime Areas:

1. **Communication and Language:** We focus on developing strong communication skills, helping children express themselves and interact confidently.
2. **Physical Development:** Through play and movement, we support the development of fine and gross motor skills, enhancing physical health and coordination.
3. **Personal, Social, and Emotional Development:** We foster positive relationships, emotional intelligence, and self-confidence, helping children build strong social and emotional foundations.

Specific Areas:

1. **Literacy:** Our literacy program nurtures a love of reading and writing through storytelling, phonics, and engaging activities.
2. **Understanding the World:** Children explore nature, different cultures, and technology, broadening their understanding of the world around them.
3. **Expressive Arts and Design:** We encourage creativity through art, music, and role-play, allowing children to express themselves and explore their imagination.
4. **Mathematics:** We make learning math fun and interactive, focusing on number recognition, shapes, and problem-solving to develop a love for the subject.

At Cubs Corner, we cater to each child's individual needs, ensuring they grow into confident, capable, and compassionate learners.

At Cubs' Corner, woodwork is an integral part of our curriculum, with trained teachers delivering engaging weekly lessons for all children. Through hands-on experiences and fostering creativity and problem-solving, the children learn new skills each week!

For example, during our Space topic, children design and build their own wooden space rockets, developing their fine motor skills as they hammer, screw, and sand materials. Woodwork also enhances early literacy and mathematical understanding, as they follow instructions, measure materials, and explore shapes and quantities. This enriching activity nurtures confidence, independence, and a sense of achievement, making learning both meaningful and practical.

Four guiding principles

Our EYFS (Early Years Foundation Stage) curriculum is guided by four key principles that form the foundation of effective teaching and learning for young children.

A Unique Child: Every child is a unique individual with their own abilities, interests, and needs. We celebrate and support these differences, ensuring that each child's learning journey is tailored to their development.

Positive Relationships: Building strong, supportive relationships with children and their families is key to creating a safe, happy, and trusting learning environment. Positive relationships foster emotional well-being and help children feel secure and confident.

Enabling Environments: Providing a rich and stimulating environment is essential for learning. We ensure that the physical space, resources, and interactions are designed to engage children and encourage exploration, creativity, and independence.

Learning and Development: Children learn best when they are engaged in active, hands-on experiences that are meaningful to them. Our curriculum focuses on development across all areas, offering opportunities for children to grow, explore, and learn at their own pace.

These four principles work together to create an environment where every child can thrive and reach their full potential.

Why choose *Cubs' Corner at Park House English School?*

Staff with extensive early years experience, bringing the best practice from the UK to life across the EYFS curriculum. The dedicated team create a rich, child-centred environment where every child is valued as an individual.

A personalised approach to learning, taking the curriculum to the children, ensuring their interests and ideas shape their educational journey

Hands-on, meaningful learning experiences, with woodwork and baking delivered weekly to develop fine motor skills, creativity, and problem-solving.

Research driven approach, firmly rooted in the best EYFS practice, ensures a balance between structured teaching and child-led exploration. Through a rich, supportive setting and carefully planned learning experiences, foundations are laid for confident, curious, and independent learners.

Carefully designed entry and exit points hook children into each topic and provide opportunities to celebrate their learning, fostering a love for discovery. Regular trips further enhance learning, offering real-world connections to classroom topics and deepening children's understanding.

Grade Groups	MOEHE Approved Yearly Tuition Fees	MOEHE Approved Termly Tuition Fees
Early Years 1 (Nursery)	QAR 22,934	QAR 7,645

We are part of a Global Group of Schools

We are proud to be part of International Schools Partnership (iSP), a global community of 100+ schools across 25 countries with a shared purpose of growing the world's most curious, confident minds. We champion a transformative approach to learning that goes beyond the classroom. By igniting our students' curiosity and growing their self-confidence, our students thrive throughout their time at school and beyond.

ISP's vision, purpose and principles are seamlessly integrated with each school's unique strengths, ensuring learners receive a world-class education while staying deeply connected to their local communities.
